

Worplesdon Primary School – Weekly Update

Friday 12th November

Dear Parents / Carers,

Another week down and the Christmas is already starting to be discussed – where has the year gone!

This week, Kings College visited Year 6 to talk about the staying safe online. Here are some excellent resources for you and your children to have a think about at home: <https://www.thinkuknow.co.uk/parents/>. As always, if you have any concerns relating the internet or social media, please don't hesitate to contact us.

During the week beginning 22nd November, the children will be completing some mock SATs assessments. Over the course of the week, the children will complete Reading, Grammar, Spelling and Maths papers. These are absolutely nothing to worry about but will help us to assess the progress the children have made so far and inform our planning for what needs to be taught next. They will also help prepare the children for the types of questions they will encounter in the future so that they know what to expect. We will communicate with the children how they have done, as well as with you in the weeks following.

The week of 15th November is Anti Bullying Week and as a school, we will be raising awareness of how important this message is. We are inviting children to wear odd socks each day to celebrate uniqueness of each member of our community. On Wednesday the 17th November, the School Council will be sharing the key message of 'One Kind Word' to the children via our virtual assemblies. On Friday the 19th November, it is **Children in Need Day**. There will be activities in school and we are inviting children to come in dressed in Yellow or as Pudsey. There will be a prize for each class for the best costume! This will be our fundraising drive for this term so we are asking contribute to our JustGiving Page to support this amazing cause. We hope you will join us in supporting these very worthy causes. Thank you so much for your ongoing support.
