

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 19<sup>th</sup> November

Today it was 'Children In Need' day and we were so impressed with the children's Pudsey inspired outfits as well as their odd socks throughout the week. Thank you for your donations; it is really appreciated and will make a huge difference to children's lives around the country.

This week has been the final week of our English unit based on 'The Egyptian Cinderella'. The children have used their imagination to create some lovely stories with lots of description. Next week, we will be moving onto a unit of English based on a video stimulus called 'Taking Flight' and we will be focusing on using and punctuating direct speech.

Your children have also been fantastic scientists this week investigating which materials were conductors or insulators. They were able to explore and find out for themselves using the electricity resources available. The children demonstrated great curiosity and teamwork.

Next week is Nightingales class assembly on Friday 26<sup>th</sup> November at 2:40pm all about electricity. Please walk down the main drive and into the back of the hall. It is one parent/family member per child and the gates will open at 2:30pm. We would like the children to wear all black for this, therefore the children can come into school on Friday in their assembly outfit. If you have any torches or hand-held fans please could you bring them in as we would love to use them. We look forward to performing to you.

As a reminder, if you have any questions or concerns please do not hesitate to contact your child's class teacher(s).
