

Worplesdon Primary School – Weekly Update

Friday 26th November

Dear Parents / Carers,

Over half way through the term and we are definitely getting into the Christmassy spirit! The halls are filled with carol practices and we are very excited for our carol concert in the final week before we break up.

This week, the children showed such resilience when completing our mock SATs assessments and it has be wonderful to see how they have risen to the challenge. There are so many positives to celebrate, especially considering the disruption over the past couple of years! Once we have analysed the data, we will share the children's scaled scores with them and with you.

Thank you for sending children in to school with not only a coat but extra items of clothing such as gloves and a scarf. We spend around 50 minutes of our day outside during break and lunch times, so it really makes the difference to the children's enjoyment.

It is wonderful to see children continuing to read regularly and complete their times tables at home. If you need any suggestions for great books or suggestions of other ways make learning fun at home, please do let us know!

Have a lovely weekend,

Mr Clifton, Miss Bennett and Mr Djadali
