

Worplesdon Primary School – Weekly Update

Friday 26th November 2021

Dear Parents / Carers,

In English, we have used an 'S' map to help us retell the story of Percy the Penguin using conjunctions. Next week, we will be tweaking the animal in the story and the activities that the boy and the animal do together. In Maths, we have continued with multiplication and learnt about the 4 and 8 times tables. Next week, we move onto division and will be recapping what division is and then practising dividing by 2, 5 and 10.

We teach Spellings every day and focus on a different rule each week. In our weekly emails, we will share last weeks rule and this week's rule so that you can spend time practising words with this rule home. These are not the only words that the children should practise, just some examples. We do not do formal spelling test do the children don't need to practise them in a test-like way but should practise them in fun, enjoyable ways such as:

- Creating the words with magnetic letters on the fridge
- Writing the words in chalk
- Using a dictionary or computer to find more words that follow the rule
- Writing a word on the child's back with your finger and seeing if they can guess it

Last week's spelling rule	Next week's spelling rule
Adding the suffix -ment movement enjoyment attachment replacement punishment judgement treatment measurement	Words ending in -tion station lotion potion fiction caption section nation option

On **Friday 10th December** Year 3 will be taking part in a carol concert at St. Marys Church in Worplesdon. The service will begin 9:45 and the children will be walking there from school. Please ensure that your child is in school promptly by 8:50am so that we can leave the school premises at 9:00am. To comply with our risk assessment, we will need some additional adults to walk to the church with the children. Thank you to those parents who have offered to walk to and from the church with us already! Due to the size of the church, we can only allow one adult per child in to watch the service. More information on the details will follow via ParentMail.

During the last week of term, we will be giving all of the children an opportunity to share their home learning with the class. Please sure that any photos/videos/documents are uploaded by Sunday 12th December so that we can share them throughout the week beginning the 13th December.

Mrs Fuentes is enjoying teaching Magpies in Mrs Godinho's absence. If you are a Magpies parent and would like to contact Mrs Fuentes, her email is: pfuentes@worplesdon.surrey.sch.uk .

Worplesdon Primary School – Weekly Update

Please don't hesitate to get in touch if you have any questions or concerns throughout the year.

Many thanks,

The Year 3 Team
