

Worpleston Primary School – Weekly Update

Dear Parents / Carers,

Friday 26th November

Firstly, we want to say a massive well done to Nightingales for their brilliant class assembly all about electricity. The children have worked so hard, learning their lines and performing to the best of their ability for you. We are very proud of them!

In the next few weeks, we will be creating canopic jars in coordination with our Egyptian topic. If you have any jars at home that you are able to donate it will be greatly appreciated.

This week, we started a new unit of English based on a video called 'Taking Flight'. They have written some fantastic stories including effective direct speech which is our skill. Next week, they will be tweaking the story choosing where Tony and his Grandpa go on their adventure.

As the weather is getting extremely cold, on PE days we highly encourage children to bring in gloves to protect their hands. The children have been getting cold hands especially during hockey lessons. Also, please can we ensure the children are appropriately dressed for the weather as playtimes and lunchtimes are outdoors unless the rain is torrential.

We hope you have a wonderful weekend.

The Year 4 Team
