

Worplesdon Primary School – Weekly Update

Friday 3rd December 2021

Dear Parents / Carers,

We have had a wonderful time in Year 2 this week - the children have continued to impress us with their positivity and independence.

On Friday 10th December we will be having a Christmas jumper day. We would love the children to come into school wearing a school uniform with a Christmas jumper or Christmas accessories. This is our dress rehearsal day so if your child/ren is a narrator then this is perfectly timed.

In English, we have been writing a letter from a Third-Class passenger on board the Titanic, focussing on the four different sentence types: question, exclamation, command and statement. The children have been creating their own text maps to support them with their writing. Next week they will be using the four sentence types to write a letter to Santa.

In Maths, we have been continuing to focus this week on money. The children have been adding money and finding change. Next week we will be looking at multiplication and division. We will start by working with equal groups. Money is a great topic for you to support at home, allowing your child to count amounts of money (coins or notes) or pay for things with cash in a shop.

Christmas Play

This week, we have been practising for our Christmas play. Thank you for all your hard work at home helping your child to learn their lines. We will continue to practise this ahead of our upcoming dress rehearsal. The performances are on: Monday 13th December (2pm) and Tuesday 14th December (9.20am). Please could your child bring their costume into school in a named bag by **Wednesday 8th December**.

Design and Technology

In the last week of term, we will be creating Titanic models with moving mechanisms in DT. We would appreciate donations of any empty boxes (cereal boxes or smaller would be great) on Tuesday 14th December so we have them ready to use on Wednesday 15th December.

Stationary

The children have certainly been working hard this term and we are now running low on glue sticks and whiteboard pens. We would really appreciate any donations of these items.

Please don't hesitate to get in touch if you have any questions. Our email addresses are below.
