

## Worplesdon Primary School – Weekly Update

Friday 10th December

Dear Parents / Carers,

We're nearly there! The festivities are still increasing and it was delightful this week to watch the Year 1 nativity dress rehearsal – I'm sure you have fond memories of when they were that little!

This week, we shared with the children their scaled scores from the mock SATs papers we completed earlier on in the term. There was so much to celebrate and we really are incredibly pleased and proud, especially following two years of disruption! It is also important to add, at this point in the year it is completely normal for most children to have not reached the "expected standard" (a score of 100) and that the children have already made excellent progress throughout the autumn term. If you have any questions, please do contact your child's class teacher or there is a very detailed explanation of what a scaled score means on the DfE's website:

<https://www.gov.uk/guidance/understanding-scaled-scores-at-key-stage-2> .

Please can you continue to send children to school with spare pairs of shoes and socks. We will endeavour to send children home with their spares each day so that they can dry off!

Next week, we will be celebrating all the wonderful work the children have completed in their homework passport. It can be brought in to school or be uploaded to Google Classroom. Please can this be done by Monday, so that we can look at it throughout the week.

One final reminder... We are very excited about the upcoming carol concert on Monday 13<sup>th</sup> December after school. As it will be dark by the time it has finished, **children must be collected from the school playground**. If your child will be picked anyone other than who usually picks them up, please let your child's teacher know.

Have a great weekend,

Mr Clifton, Miss Bennett and Mr Djadali
