

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 17th December

Wow – we can't believe we have reached the end of the first term and Christmas is around the corner.

The children have had a jam-packed week with lots of creative activities to do.

Firstly, the children did some amazing printing in preparation for our 'Rainforest Retreat Project' next term during our Watts Gallery workshop. We have also sent home Golden Tickets which the children can use over the next few months to visit the Watts Gallery. Children under 18 can visit for free and this ticket can be used for 1 free adult admission. Activities in the holidays and the first Sunday of the month can be found on the website.

Next, the children designed, created and then evaluated their own Christmas decorations. This involved sewing which the children showed great resilience with and they even had a go at a new type of stitch.

As our topic was linked to Egyptians this half term, we finally got to use all the jars you donated. Thank you very much! The children got to experiment with clay to create the top of their jar and then painted the head and paper that would become the body. We were really impressed with their final products.

Thank you to those that came to watch our Carol Concert on Tuesday. We were so proud of all the children that took part and all of their hard work paid off.

Finally, we want to say thank you for the support this term and we are very grateful for all the lovely gifts and cards we have received. We hope you all have a wonderful Christmas and a happy new year!

Best wishes,

The Year 4 Team
