

## Worplesdon Primary School – Weekly Update

Friday 17th December 2021

Dear Parents / Carers,

What a great week we have had! We hope you are as proud of your children as we are after their fantastic performances in the Christmas production. They have shown resilience with the many song lyrics and teamwork by pulling together and supporting each other. We are so very proud of them!

This week we have been busy and creative. We have painted gingerbread men, built Titanic models with moving mechanisms and made peppermint creams. Thank you for all of your support with bringing in boxes, whiteboard pens, glue sticks, paper and tissues. We really appreciate it.

After the holidays we will be continuing to work on multiplication and division in Maths, and in English we will be reading 'The Weather Monster'. Our topic for Spring 1 is The UK. We will be exploring this in our Geography lessons and in Science where we will be learning about living things and their habitats.

***Finally, a huge thank you for the cards, gifts and kind words you have shared with us. It is very kind of you.***

Please don't hesitate to get in touch if you have any questions. Our email addresses are below.
