Dear Parents / Carers,

Friday 7th January

Happy new year! It has been lovely to have the children back in school this week and they have all settled in so beautifully.

We have started a new topic in English all about space travel and the children have loved watching a real rocket launch. They have created some fantastic diary entries all about the rocket launch using fronted adverbials as their skill for the next three weeks.

At the end of last term, the children received Golden tickets to the Watts Gallery. Under 18's are free to visit the Watts Gallery – Artists' Village and the Golden Ticket can be redeemed for 1 adult admission ticket and a ticket into The Make Space.

The Make Space takes place on the first Sunday of the month and during School Holidays. Please see below more information:

WINTER HOLIDAY: INTO THE NIGHT

SUNDAY Make Space

https://www.wattsgallery.org.uk/whats-on/make-space-2021/

The children are very lucky to be starting our Rainforest Retreat project with the Delight Charity this week. A member of the charity will be coming in to lead the first session for the children. Nightingales had their first session today and Kingfishers and Woodpeckers have their first sessions on Monday.

Woodpeckers class assembly is on Friday 21st January at 2:40pm all about rivers. Please walk down the main drive and into the back of the hall. It is one parent/family member per child and the gates will open at 2:30pm. More details will follow about outfits and lines to practise, which will go home with the children. We look forward to performing to you.

We just wanted to take this time to give a huge thank you for the lovely Christmas gifts and cards, as well as all of your continued support – all of us are very grateful!

We are looking forward to the Spring Term,

The Year 4 Team
