

Worpleston Primary School – Weekly Update

Friday 14th January 2022

Dear Parents / Carers,

We have had a wonderful time in Year 3 this week - the children have continued to impress us with their positivity and excellent attitudes to learning.

In English, the children have used a wide variety of expanded noun phrases in their writing when retelling the story Leon and the Place Between. Next week, we will be introducing the children to alliteration and encouraging the children to use this when they write about a new magical place that Leon visits.

In Maths, the children have shown such resilience with our new learning which has been to multiply a 2-digit number by a 1-digit number. Below is an example of how we have been doing this in school, should you want to practise this with your child at home. Next week, we will be dividing a 2-digit number by a 1-digit number.

Tens			Ones		
10	10	10	1	1	1
10	10	10	1	1	1
10	10	10	1	1	1
10	10	10	1	1	1
10	10	10	1	1	1

	H	T	O	
		3	4	
x			5	
		2	0	(5 × 4)
+	1	5	0	(5 × 30)
	1	7	0	

	H	T	O	
		3	4	
x			5	
	1	7	0	
	1	2		

To ensure the spellings from our spelling lessons become embedded, we are going to focus on a rule for two weeks and complete a wide variety of activities to practise and apply the spelling rule. Therefore, next week we will continue to learn about adding the prefixes dis- and in-. Here are some example words: dishonest, disagree, disappear, disapprove, incomplete, invisible, incapable, independent

You should have received the letter regarding our swimming lessons next term. Please give your consent and pay for this via your ParentMail account.

On Monday 14th March, Year 3 will be going on a school trip to Butser Ancient Farm to learn more about our topic, the Stone, Bronze and Iron Ages. This is a fantastic opportunity which we are sure the children will enjoy and learn a lot from. It is looking to cost around £20 per child at the moment. We understand that the Year 3 costs are high this term due to the swimming lessons and this trip. Please speak to your child's class teacher or a member of the office team if you have any concerns regarding payment.

A new homework passport for the Spring term is now on Google Classroom. We hope you enjoy completing some of these activities with your child. Please ensure all work is uploaded to Google Classroom instead of brought into school.

Please don't hesitate to get in touch if you have any questions or concerns throughout the year.
