

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 28<sup>th</sup> January

What a busy week we have had in year 4! From our rainforest project in Art to a new text in English!

This week, we have started our new text for the next 3 weeks which is Oliver Twist. The children's writing has focused on the first section of the story and the skill that we have explored is different sentence types. We have been so impressed by their resilience and determination to learn different sentence types and input them into their writing.

We have been investigating different animals in Science and the children have thoroughly enjoyed researching facts about herbivores, carnivores and omnivores. They have all showed great teamwork and curiosity in their research and produced lovely fact files about a range of different animals.

As a healthy school, we encourage healthy food choices as we know how important it is for children to have a healthy, balanced lunch in the middle of the day. Here are some links to different recipes and ideas for packed lunches:

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/#recipes>

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/#tips>

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/#swaps>

Thank you to those that attended the Q&A about the residential to Kingswood in May. A list of the FAQs that arose in the meeting will be sent out in due course. If you have any other questions or any that are not on the FAQs list, please do not hesitate to contact your child's class teacher.

Thank you for your continued support,

The Year 4 Team
