

## Worplesdon Primary School – Weekly Update

Friday 4th February 2022

Dear Parents / Carers,

We have had another busy week in Year 2 and the children have been working hard. In assemblies they have been exploring our value of the month for February: Independence.

In English this week we have been writing non-chronological reports about England. The children have enjoyed the process of text mapping and then writing a paragraph at a time. Next week they will be writing about their own made up country. They will be showing creativity by inventing some famous places, food and other interesting facts about their country.

In Maths, we have been looking at statistics with a focus on tally charts and pictograms. The children have really enjoyed this topic and they have been having a go at the tricky challenges. Next week, we will be starting our unit of work on 2D and 3D shapes.

On Mondays and Fridays we have PE lessons. As a reminder please do not send the children into school in jewellery or earrings that they cannot take out themselves. Also please remember to send your child into school with a water bottle as keeping hydrated is important.

Finally, as it is the time of year for colds, a lot of our children have runny noses. We are running low on tissues so if you are able to donate a box we would appreciate it.

Please don't hesitate to get in touch if you have any questions. Our email addresses are below.
