A MESSAGE FROM MRS BASSETT-CROSS

What a wonderful half term! The children have continued to work hard on living by our school values as well as working diligently towards their academic achievements. I know the staff have enjoyed being in their classrooms, developing resilient students who continue to be curious and motivated to learn. We are delighted to be welcoming you (virtually) to our Parent Consultation meetings in March to discuss your child's progress. If you have not yet booked appointments with the class teachers, please log into your ParentMail accounts.

We wish you all a very happy and restful half term break and look forward to seeing you back at school on Monday 21st February.

Best wishes

Laura Bassett-Cross

WEDDING

After postponing her wedding due to COVID, we would like to send our best wishes and congratulations to Miss Lara Davies (Haven staff) who is getting married over the half term break. We wish Mr & Mrs Parsons all the very best!

YEAR 4 PRODUCTION

As you may have seen from the list of dates previously sent out and on the school calendar, Year 4 are due to do a production in March. The date originally set for this was Wednesday 23rd March. We have had to reschedule that date and productions will now happen on the following dates:

- Wednesday 29th March (2pm)
- Thursday 30th March (2pm)
- Friday 31st March (2pm)

Each class will be allocated a date when parents/carers will be able to come in and watch, these are to be confirmed. COVID cases allowing, we would like to allow 2 tickets per child to their performance.

2022 CHALLENGE

As you know the PTA have challenged every child to raise £20.22 by 22nd February. We have heard lots of entrepreneurial ideas ranging from bake sales to sponsored cycles to dance offs and hikes. A group of Year 6 children have asked permission to run stalls with cake, candy-floss and Bric-a-Brac. The stall will be situated outside the school office on the main driveway after school on **MONDAY 21st FEBRUARY**. Please do visit their stall to support their fundraising activity.

YEAR 6 WORPLESDON REPORTERS

Zalán	<p>On the 7th of February, the Year 6 classes (Kestrels, Jays and Wrens) were invited to watch Shrek the Musical at Christ's College. Once the classes arrived, they were greeted by Mrs Hatch, the head teacher and Mr Grunday, the deputy. When the classes entered, they were led to the school's own theatre named The Duke of Edinburgh Theatre, it was huge! After the classes sat down in the comfy seats, the performance started. The performance had great storytelling and musical presentation. It especially had great songs and loveable characters - Donkey was my favourite. Christ's will do more of these performances throughout the week (7th to 13th Feb). It was an AWESOME experience! Thank you very much Christ's College – from all in Year 6 – Zalán</p>
Olivia	<p>When asked about their learning, the children in The Haven explained that they follow a slightly different curriculum to the children in the mainstream classes in school. The children really enjoy their time in The Haven and lots of the children have lessons with their mainstream class too. In the Haven, there is a sensory room and there is also a soft play area that seems to be quite popular. The children like going outside. In food tech they make their own food but without being told how to do it. Great skills! Thank you, Olivia</p>
Layla	<p><u>Extra curricular activities</u> Here at Worplesdon, we provide a wide range of clubs which are extra-curricular, one of which we hope will interest you. On Wednesday, Recorder club is held, for students ranging from beginner to advanced. On Thursday, netball is held by Mrs O'Brien and Mrs McPhail. Player of the week is handed out to one lucky individual to take home until the next week. During school, various orchestra groups are held. We have a strings groups, brass group, flute choir and full orchestra. After school, we have many sporting clubs, along with music lessons. Some clubs need to be paid for, like clubs run by GUGA Life. Thank you for reading our article. We hope to see you soon.</p>
Lieke	<p><u>Clubs</u> We have a range of clubs that you can choose from. Such as an after-school club which runs until 6pm. In the after-school club, you can play games, do colouring, go outside and so much more. Not only is there an after-school club but we also have breakfast club every day from 7.45am until school starts. They get served a variety of breakfast choices, from toast to cereal.</p>

Sign off: Thank you for reading our newsletter. We hope to see you soon.

Cheers,
The Reporting Team :D

PS: It's amazing being a reporter 😊
