

Worplesdon Primary School – Weekly Update

Friday 25th February 2022

Dear Parents / Carers,

We hope you had a good half term, it has been lovely to hear what the children have been up to. Finches have had an extra busy week preparing their assembly which we hope you enjoyed.

Curriculum

As writers we started a new story “Jasper’s Beanstalk” and we are focussing on interesting sentence starters. They have written the story and have been challenged to add extra details using adjectives, adverbs, conjunctions whilst remembering capital letters, full stops and finger spaces. All with the best handwriting they can.

As mathematicians we have been using dienes equipment to make numbers to 50 using 10s and 1s. We have drawn these numbers using sticks and dots.

As historians we have labelled a timeline using words such as:- past, present, older, newer.

As artists we have looked at some amazing sculptures and now we are making our own out of recyclable materials.

As computing experts, we have started some new learning about coding and have made fish move left and right. They have described the object and the action needed.

As athletes we have used our skills of passing a ball and catching it in a mini game.

Supporting at home

If you could hear your child read everyday this week that would be amazing.

In phonics this week we have been recapping a variety of sounds: Can the children try to spot the following sounds in books at home?

i_e o_e u_e e_e aw and or and au

A reminder that the children are invited to dress up as a book character on Thursday 3rd March next week, we look forward to seeing these!

Wishing you a wonderful weekend!

Best wishes

The Year One Team
