

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 11th March

Firstly, we want to say a massive well done to Kingfishers for their amazing class assembly all about the rainforest. The children have worked so hard, learning their lines and performing to the best of their ability for you. We are very proud of them as we are sure you are too!

Next week, the children will be participating in some exciting spelling activities, which are designed to identify the best spellers in each house across the year group. These children will then have an opportunity to take part in the first Worplesdon Spelling Bee at the end of this term. The winners from this will then go through to an inter-school final with the chance to win the first BFLT Spelling Bee trophy! To be in with a better chance of doing well, we would encourage children to practise the Statutory Spellings for their Year group, which can be found on Google Classroom.

We also have many exciting plans next week to celebrate Comic Relief. There will be a competition for the children to design and make a habitat for their Red Nose using any materials that they like. The finished habitats should be brought in to school on Friday when the School Council will judge and select the winners! We will also be holding a bake sale on Wednesday where children will be asked to bring in red nose themed cakes or biscuits, which will then be on sale after school in the PAC. On Thursday, the children will be participating in red nose races. We will be carrying out races in classes or year groups (wearing red noses of course). Stickers and prizes to be handed out. We will also be holding a red mufti day on Friday where the children are invited to come in wearing something red, with their Red Nose. If you would like to donate to the fundraising, please visit <https://www.justgiving.com/Radhika-Woodruff> to make your donation.

Thank you to everyone who came to Parents Evening this week. Whilst we are finding our way back to a new normal, we thank you for your continued support through virtual parents evening. After some reading queries, we have attached a recommended reading list for year 4 in order for the children to broaden the variety of books that they read: <https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-4-pupils-ks2-age-8-9/>

Thank you for your continued support,

The Year 4 Team
