

## Worplesdon Primary School – Weekly Update

Friday 18<sup>th</sup> March

Dear Parents / Carers,

What an exciting week celebrating Red Nose Day! The children have really pulled together and we are so impressed with how much money we have been able to raise for such a good cause.

During last week before Easter, we will complete our final round of mock SATs so that the children feel prepared and confident for the real ones in May. We intend to go through the papers with the children during the week so that they know how they have done and we will use the data to inform our final three weeks of teaching in the summer term. The children have shown such resilience and it is wonderful to see how excited they are to show off all the knowledge they have learnt in KS2.

Even though it is only March, we have already begun scheduling meetings with the local secondary schools to discuss your child's transition. If anything changes or you are on a waiting list, please do let us know so we can ensure we make the most of our discussions.

Finally, we've noticed that having a healthy snack at break time is really making a difference to the children's concentration levels as we lead up to lunch. Please note that only fruit and vegetables are allowed for break time snacks.

Wishing you a wonderful break,

Mr Clifton, Miss Bennett and Mr Djadali
