

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 22nd April

The children have settled back into school so well and they are so excited to begin the summer term which is always a busy one!

Please can we remind you that your child's medication for the residential must be given into the office or your class teacher next week. We do understand that some children have to give it in on the day and if this is the case for your child, please let your class teacher know. Please make sure this is clearly labelled with your child's name before giving it in.

Our PPA will be moved on the week of the residential to Tuesday 3rd May in the morning, rather than being on the usual Wednesday as this is the day we are leaving. Please make sure your child comes into school in their PE kit on this day as they will be doing PE in their PPA slot.

The homework passport for the Summer term is now on Google classroom. Please can we remind you that it is compulsory for the children to complete at least 6 of the activities. These will be shared in class on the week commencing the 11th July. The children should also be completing 4 signed reads every week which will be checked in class.

Please do not hesitate to contact your child's class teacher if you have any questions or queries regarding the residential.

Thank you for your continued support,

The Year 4 Team
