

Worplesdon Primary School – Weekly Update

Dear Parents/Carers,

The children have settled back into school really well this week, they have shown they are focused and determined. We are very proud of their continued positive attitude towards learning, especially with extra revision sessions in the lead up to SATs. These are proving really beneficial for the children in order to receive tailored support. These sessions will continue every morning, starting at 8:30.

With this in mind, please can we stress that although the children may be experiencing some anxiety around SATs, we are doing our utmost to support them and provide strategies to deal with these kinds of feelings. We continually remind them they are fantastic individuals! In addition to this, the children will also be taking part in Learning for Life lessons over the next couple of weeks based on preparing for these, where we will discuss remaining calm under pressure and showing resilience.

If you have any questions around SATs, please do speak to your child's class teacher who will be able to help you.

Thank you for your continued support.

Best wishes,

Mr Djadali, Mr Clifton & Miss Bennett
