

Year 4 Homework Passport: Summer Term

Completed	Activity	Signed by Teacher
	Create your own string telephone and try it with a member of your family. Can you hear them?	
	Go to your local town and photograph different types of Architecture.	
	Do some potato printing. Ask an adult to help you cut a potato in half and carve a design. Use paint or ink to create a picture.	
	Sketch a kitchen appliance. Remember our lesson about shading!	
	Make a model of a building using Lego or another construction kit.	
	Design a menu for a day for your family and decorate.	
	Watch a badminton match on YouTube and identify any skills you can see being used.	
	Write a time table for a day and work out how long you spend on each activity.	
	Commit to doing 10 star jumps each morning and evening for a fortnight.	
	Design a house for the future.	
	Create a PowerPoint or fact file about an architect, e.g. Norman Foster.	
	Make a budget to show what your family spend on food in one day.	
	Make the tallest tower you can using newspaper.	
	Use a map to create a route and walk the route with your family.	
	Create a poster that shows all the different coins and label them.	
	Design and/or build a bird box.	
	Read a non-fiction book about a subject that interests you.	

Our topic this half term is Awesome Architecture

Your mission is to complete at least **6** activities this term. As you complete the activities upload photos, posters, reflections onto Google Classroom.

Be prepared to share your half-termly home learning with your class on the week commencing 11.7.22

You are still expected to complete 4 signed reads each week as a well as spending some time practising your times tables.

Comments and feedback from your teachers and classmates.
