

NEWS FLASH

Friday 29th April 2022

LIVING BY OUR VALUES

Our children are fast becoming models of young people who live by our school values. As adults we endeavour to be positive role models to all of the children demonstrating our values throughout the day. As parents, you too set an example to our young people through the way you conduct yourself particularly when on school grounds. Please could I remind you that many of our children are not exposed to swearing or inappropriate language in their homes. Therefore, please try to refrain from using any form of expletive or inappropriate language when in or around the school. Many thanks in advance.

SENSORY CIRCUITS

As from next week Mrs Earl-Smith's Sensory Circuits group will run Monday – Friday and this will continue over the Summer term.

IMPORTANT NOTICE

With the weather warming up it's important for us all to protect our skin with sun cream, especially little ones! Worpleston is a strictly 'nut-free zone' as we have a number of children and staff with nut allergies, so we thought you should know that the **Nivea Sun Kids coloured sun cream spray in SPF50+ has recently been re-formulated to include almond oil, which means we cannot use it on children at school.**

If you're a parent/carer, we ask that you please check your sun cream ingredients carefully (sometimes you need to peel back the sticky label to see all ingredients, not just the main ones!) for any traces of nuts and make sure you use a nut-oil free alternative.

Thank you for helping keep everyone safe.

REMINDER - QUEEN'S JUBILEE ART COMPETITION

St Mary's Church have invited all children to take part in an art competition to celebrate the Queen's Jubilee. The winning entrant will be invited to light the jubilee beacon at the church. All of the children have received an entry form should they wish to participate and a flier with all the information was sent out previously. We are able to collect in art work at school. All entries must be at school or at St Mary's Church by Friday 6th May.

STAFFING

It is with great sadness that I write to inform you that the lovely Mrs Hankin (Swallows teaching assistant) will be leaving us today. We would like to wish her all the very best in her new adventure and offer huge thanks for all the support she has given to the Reception team over the years. We are delighted to inform you that we have appointed Mrs Panton into the Reception team. Mrs Panton will be joining the team on Monday 16th May.

PTA SMARTIE PARTY

Thank you to all the families that took part in our Smartie challenge. You have raised an amazing £549.16!! The winning class with a total of £100.90 is Doves! The children in Doves class have enjoyed an afternoon of fun with their Smartie Party.

With things getting back to normal again, we would like the children to have as much of the old fun back as possible. With this in mind we are wanting to hold infant entertainment, junior discos and the ever-favourite summer fair.

These events don't just happen! They need to be planned and we need volunteers. I would like to invite all parents/carers and even grandparents to a summer planning session, next week **Thursday 5th May in the school hall @ 7pm**. At this meeting we will be discussing all events and starting the planning for them. You do not need to bring anything - just your enthusiasm and time! I look forward to seeing as many of you as possible to make these events as successful and as fun for the children!

Michelle - PTA

THREE PEAKS CHALLENGE

We have a group of mums (and granddads) who trained hard for their Surrey 3 Peaks challenge. The group have been raising money for the school and the mental health charity, MIND. We would like to offer our immense gratitude to the group and those who have made donations. Below is a message and selection of photos below from the group...

We made it! We had a fabulous day for our challenge. The weather was almost perfect, had to save our sandwiches from the dust being blown around at Holmbury Hill, and the hills were definitely a challenge. The steps on the final ascent to Box Hill almost finished us off but we all made it to the end! Perseverance, determination and resilience! 😊 Thank you for all your generous donations.

We walked 36km, 53,000steps, gained over 1000m and walked for over 8 hours. Feet and legs could be better but we made it... 😊

HAVE FUN LEARNING SPANISH!

We are pleased to invite your child to join our **after-school Spanish club** at Worplesdon Primary School during the Summer Term 2022.
