

Worplesdon Primary School – Weekly Update

Dear Parents/Carers,

It has been another brilliant week at school, despite knowing that SATs are just around the corner, the children have remained engaged, enthusiastic and resilient. We really are so proud of them. We have done lots of preparation this week, including a number of learning for life lessons to remind them how wonderful they are and just how hard they have worked and provided strategies for them if they are feeling under pressure. We hope this has helped them to feel calm ahead of next week.

Next week, we will be inviting the children to come in at 8:30 for a snack and a drink with their classmates before they start testing at 9. This will be an opportunity to start the morning in a relaxed way with their teachers and peers, which will be much needed.

Finally, on Friday the children will be taking part in a variety of fun activities to celebrate their hard work as there are no tests that day. One of these activities will be ice-cream making. We are happy for the children to bring in 1 or 2 toppings of their choice, however these **must** be nut-free. The ingredients are listed below, if you have any queries or concerns about these, please email your child's class teacher and we will do our best to provide an alternative:

Whole milk

Caster sugar

Vanilla extract

Ice

Salt

Thank you for your continued support.

Best wishes,

Mr Djadali, Mr Clifton & Miss Bennett
