

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 13th May

We are very excited to announce that there will be a Junior Disco taking place on Thursday 26th May. Year 3 and 4 are sharing a disco and it will be from 5:15pm-6:45pm. Please remember to bring your form and money for the disco into your class teacher to confirm that you will be attending.

The children have thoroughly enjoyed our new English topic all about ways that we can save the planet. We have been so impressed by the solutions they have raised in an attempt to battle global warming. The children are very excited that they will be writing to the Queen about their ideas on how to save the planet. They are doing this to celebrate her Jubilee and we look forward to seeing all the beautiful work they produce when they finish next week.

Next week we are excited to share that our lovely house captains are going to be leading an inter-house competition for Year 4 on Thursday afternoon which will involve activities like dodgeball, bench ball and football. This is our PE day so children will already be coming to school in their PE kit.

In addition, we will continue to do time next week so any practise of this at home will be greatly appreciated.

Just a reminder, our year group assembly is taking place on Thursday 26th May at 2:30 with one adult per child being able to attend.

Thank you for your continued support.

The Year 4 Team
