A MESSAGE FROM MRS BASSETT-CROSS

As you know, the lovely Mrs Woodruff has been seconded to Knaphill Junior School. For the summer term, we are delighted that Mr Clifton and Mr Torjussen have stepped into a joint Acting Deputy Head role. Miss Dunne and Mrs Earl-Smith have therefore taken on the important roles of Assistant Head Teachers for this interim period. You may have noticed these senior leaders out on the school gate (but perhaps haven't known who they are) and I know they are enjoying greeting you all... Have a wonderful sunny weekend!

LOCKED GATE

We are going to be locking the pedestrian gate (by the PAC) at 3:30pm every day, while after school clubs are running. This will be opened at approximately 4:15pm (for club pick up) then locked again at 4:30pm, to ensure the school remains secure while children are still on site.

If your child is doing Infant Fun Sports (on a Thursday), can we ask that you go to collect them from the field once the gate has been opened, otherwise please wait at the gate and the children will be brought to you.

ROYAL INSTITUTION - SCIENCE IN SCHOOLS

In collaboration with the Farr Foundation, we are pleased to announce that on Wednesday 18th May we are lucky to be having the Royal Institution - Science in Schools coming into school to present a show called Energy Live, to the children. There will be two performances during the day which all children will attend. They are also putting on a free community show in the evening between 5:30pm and 6:30pm.

If you would like to attend please email abennett@worplesdon.surrey.sch.uk.

The evening show will be the highlights of Energy Live! Please find further details of the show below.

Energy LIVE! is an exciting audience led show, delving into the different stores of energy and how they affect our lives. Through lively, fire-based demonstrations we take the intimidation out of the terminology around energy and show you just how simple this subject can be. Your children will leave not only knowing their elastic from their gravitational, but also fired up (pun intended) about energy and with a newly-enthused approach to science.

We look forward to seeing you there.

PRAYER GROUP

Worpleston School prayer group meets monthly on Zoom to pray for the school and its community. If you are a practising Christian and would like to join us, please contact Nicola Cole on nicola.joy@talk21.com, we'd love to have you!
