

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 20th May

This week the children demonstrated brilliant teamwork skills during the inter-house sports competition. We had a fun afternoon playing football, dodgeball and bench ball in houses.

As the weather is beginning to warm up, please can we remind you that the children should be bringing in water bottles and hats into school for breaktimes. It would also be beneficial for them to bring in sun cream too and they are welcome to reapply it before breaktimes or lunchtimes outside, however this cannot be shared as each child must bring in their own.

Next week, PPA will be moved to Tuesday rather than the usual Wednesday. Please can we ask that the children come in in their PE kit on the Tuesday as they normally would for a PPA day. They will then need to wear their school uniform as normal on Wednesday.

Just a reminder that school will break up for half term next week on Thursday 26th May at normal time as Friday 27th May is an Inset day. This is also break the rules day and our year group assembly which will take place in the school hall. As it is a year group assembly, it will start promptly at 2:30 and doors will open from 2:20.

The Year 3 and 4 disco will also take place on Thursday 26th May from 5:15 – 6:45pm. Please can we ask that the children bring no more than £3 for the tuck shop.

Thank you for your continued support.

The Year 4 Team
