

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Thursday 26<sup>th</sup> May

Wow, what a brilliant end to this half term. We are all so proud of the children for all their hard work and resilience throughout this half term. They deserve a big rest!

We are also so proud of them for the amazing performance that they gave in our year group assembly. The children are very much looking forward to celebrating their success at the disco later today and we can't wait to see their dance moves!

After half term, the children will be taking part in the mandatory times table check. They will have an opportunity to try this out before the real test. Please make sure you continue to practise times tables with the children so they are confident. If your child is working on the Pebbles curriculum, they will not be participating in the check but they will still be doing times table activities. If you have any questions, please do not hesitate to contact your class teacher.

On the first day back, we will be completing activities to celebrate the jubilee in school as well as a lunch on the playground. We hope you have lovely celebrations of your own over the long weekend.

Thank you so much for your donations for break the rules day. The children embraced the day and we loved seeing all of their amazing hairstyles and soft toys.

We hope you have a restful half term.

Thank you for your continued support,

The Year 4 Team
