

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 10th June

The children have had a fantastic week back to their final half term in year 4. We can't believe how quickly the year is going! We have an exciting and busy term ahead with lots of different activities happening across the next few weeks.

The children had a fantastic time trialling out for District sports and they all displayed resilience and perseverance in both track and field events. If your child has been selected, you will be receiving a Parent Mail with more information and your child will receive a form to fill out on Monday. If you any questions at all, please do not hesitate to contact your class teacher.

This week, the children have also had the opportunity to complete a Times Table check practise. They all worked so hard and it was an opportunity for them to try it out before the real check. The real check will take place over the next few weeks and just a reminder that any children working on a pebbles curriculum will not take part in the test.

Class photos will be taking place on Tuesday 14th June throughout the day. Each class has been given a time slot and the children are required to wear their red jumpers/cardigans over their school uniform so please ensure they come into school with these. Girls are still required to wear their hair up for school photos.

Just a reminder, please can you make sure your children are coming into school with sun cream on, as well as bringing a hat for break times. As the weather is warming up, we will be doing all PE lessons outside so it is important that the children are protected from the sun. It is also important for the children to stay hydrated so please make sure they are bringing a water bottle into school. They are able to fill up their water bottles whenever they need to throughout the course of the day.

Thank you for your continued support,

The Year 4 Team
