

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 17<sup>th</sup> June

The children had a fantastic time trialling out all of the potted sports activities for sports day. They showed fantastic resilience despite the hot weather and they all thoroughly enjoyed the practise. The children will have a run through on Monday so they will need to be in their PE kit on this day, as well as on Wednesday. The gate will open at 1:10pm and the events will start at 1:30pm.

<b>PE days</b>
Monday 20 <sup>th</sup> June
Wednesday 22 <sup>nd</sup> June

No PE on Thursday 23<sup>rd</sup> June.

District sports is also taking place this week on Tuesday 21<sup>st</sup> June. If your child is competing in district sports, please can they come in in PE kit on Tuesday.

The children will be taking part in their real Times Table checks next week but just a reminder that any children working on the pebbles curriculum will not take part in the test. We are sure that the children will do amazingly!

Class photos took place on Tuesday and all of the children looked very smart. We are so proud of how well they listened to the photographer, and as a result, they produced some lovely photos. The children should have come home with a code for you to view the photo and order it should you wish.

Thank you for your continued support,

The Year 4 Team
