CONGRATULATIONS!

Year 6 pupils performed a spectacular version of The Lion King this week to over 200 adults. The children demonstrated great confidence, musical and dance ability and a fantastic team ethos as they pulled together a wonderful production. A special thanks goes to Louise from Saints School of Dance and Cheerleading who volunteered her time to support the children with dance routines and moving around the stage. Thank you to all who supported and well done to Year 6.

REPORTS

You will have received your child end of year report. As staff we have been so impressed not only by the progress children have made but by their positive attitude to learning and their determination to be the best they can be. Our value this month is confidence and I hope that your children can end this academic year feeling confident and proud of all that they have achieved.

YEAR 5 GIRLS RUGBY EVENT

Last Thursday, a group of lucky Year 5 girls got to experience some rugby with current England players Leanne Infante and Marlie Packer, who are playing in the Women's Rugby World Cup later this year in New Zealand. The girls enjoyed some hands-on training and tips, as well as some fun exercises and a key insight into some of the skills and core values of rugby. They represented themselves, the year group and our school really well, getting stuck in whenever they got the chance!

If you are interested at all in having a go at rugby, or progressing your involvement in any way, our local rugby club Guildfordians welcomes boys and girls (and parents!) of all ages and abilities.

REMINDER - VACANCIES
