

NEWS FLASH

Friday 22nd July 2022

Wow! What a wonderful end to a fantastic year...

Your children have demonstrated the school values within so many avenues of their school life from the care and compassion they show their peers, to the determination in sports events, resilience in their school work and the respect they show adults.

We would like to thank all of our families for your support and dedication throughout the year.

We wish you a wonderful summer holiday and look forward to welcoming you back in September

Best wishes

Laura Bassett-Cross

YEAR 6

A HUGE well done and thank you to our Year 6 cohort. This term we have enjoyed a fantastic production of the Lion King, followed by the Year 6 residential where lasting memories were made. This week, the Year 6 children treated us to their Leaver's Assembly reflecting back on their personal memories and successes over their time at Worpleston. We wish all our leavers the very best of luck as they move on to their new schools.

SUMMER SOIREE

Well done to all our Musicians who performed so magnificently in Wednesday's Summer Soiree. It is rather remarkable how hours and hours of rehearsals and practice culminate in just 40 minutes of performance which is gone in a flash! Hopefully these photos will bring back some wonderful memories!

We had a retiring collection to raise money for our new purpose-built music block which we hope to start building soon.... Thank you so much for your contributions.

Thank you to all our musicians and WELL DONE!

GUILDFORD FIRE STATION – OPEN DAY

Guildford Fire Station are hosting an Open Day on Saturday 27th August, between 11am and 4pm.

These events are a great opportunity to see the range of activities involved with being a modern firefighter, to learn about our crews, see our fire engines, and learn about fire safety!

Children and parents are able to attend. There is no need to book, people just need to attend anytime between 11am and 4pm.

SUMMER HOLIDAY FUNDRAISING

We have three very charitable and entrepreneurial students who have set themselves a challenge over the summer in order to raise money for ME Research and the World Wildlife Federation. The girls will be doing activities such as 1000 cartwheels, a tree challenge where they will spend 2 whole hours up a tree and are only taking up as much as they can carry. The girls will also be raising money through a sale of cards, cakes and other items. This will be on 2nd of August from 1pm – 4pm at Manor Gardens, Stoughton.

Many thanks and have a great Summer!

MARATHON YOUR WAY

spinal muscular atrophy uk
Help for today, hope for tomorrow
