Dear Parent / Guardian / Carer

Re: Roofing Works at Worplesdon Primary School

We are writing to introduce ourselves as the Contractor commissioned by Surrey County Council to carry out the above works.

As a matter of courtesy, we wish to advise you that the commencement of scaffold to the school shall begin:

WEEK COMMENCING 25TH JULY 2022

These works and the subsequent roof works will cause some noise; please accept our apologies for any disruption that may be caused. We would advise that the project is expected to complete late October 2022, however this may be subject to delays with weather, deliveries, materials lead times.

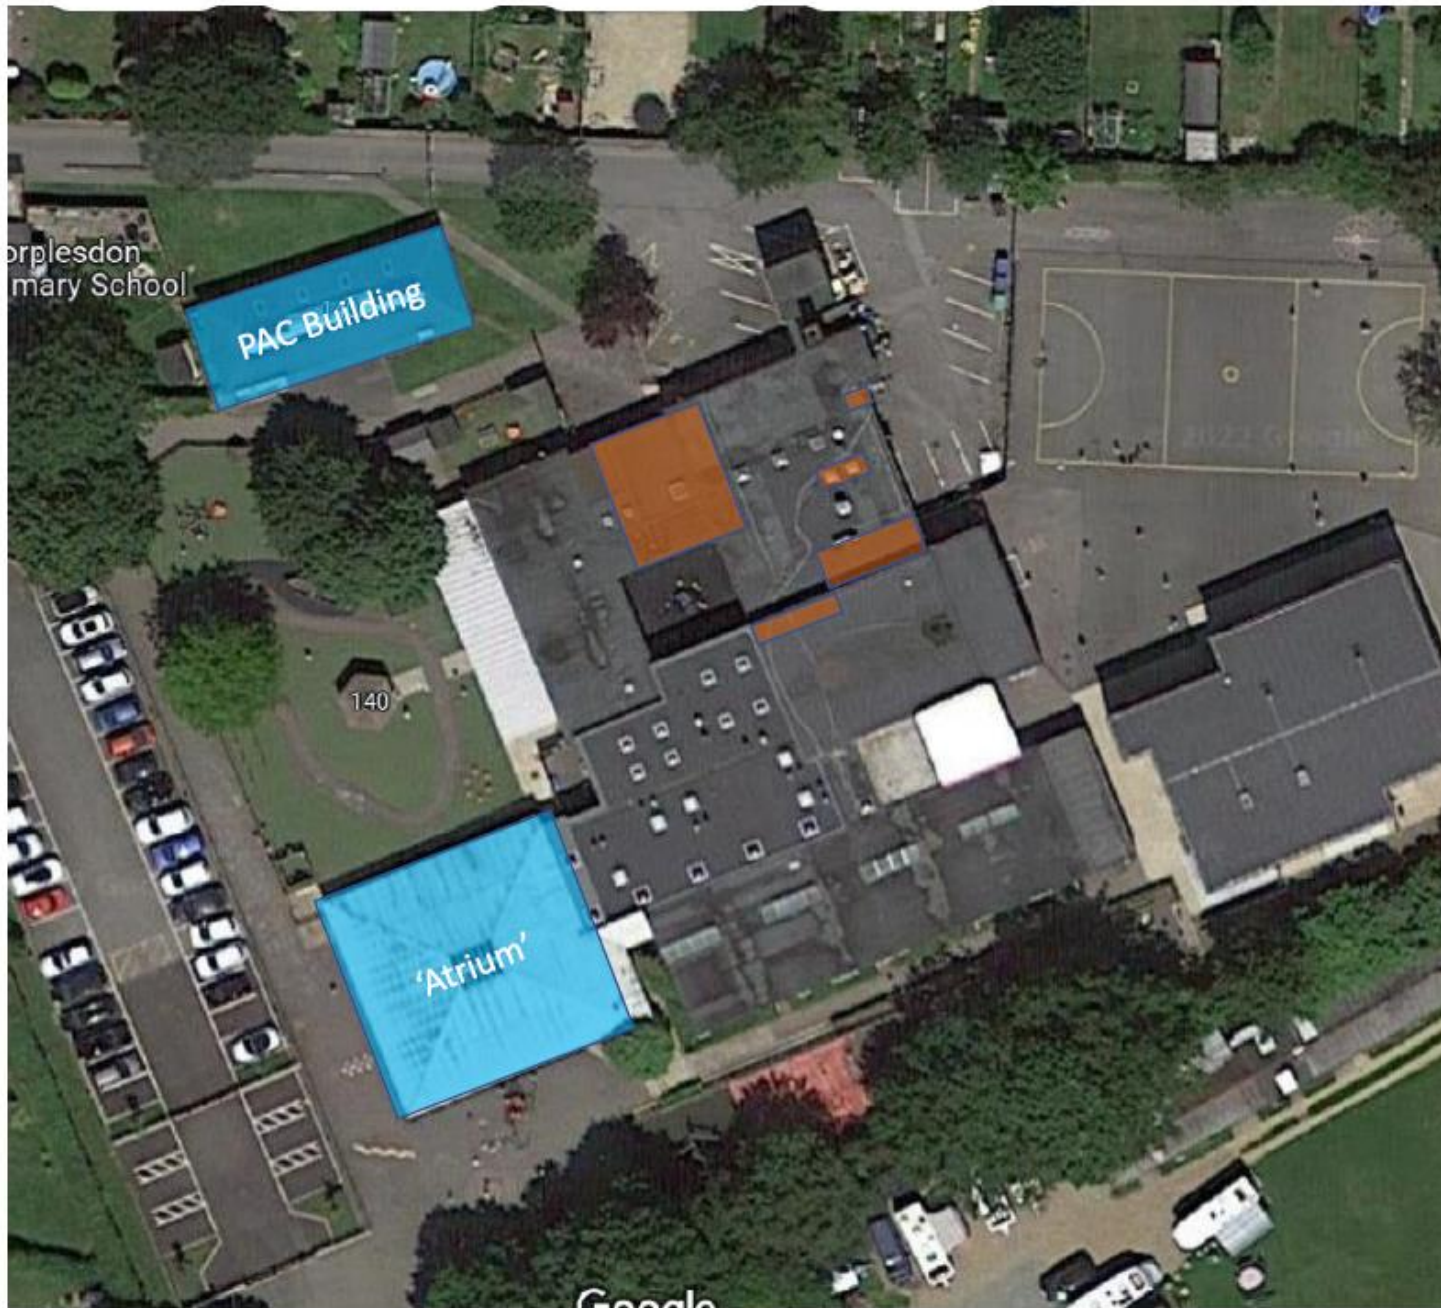

If you require any further information, please do not hesitate to contact either myself on the number shown below, or our Site Manager, Tony Wren on 07845014353

If you are worried about phoning a mobile, please let the phone ring twice and hang up. It will appear on our phones as a missed call and we will call you back.

Yours faithfully
For and on behalf of Breyer Group plc
