

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 9<sup>th</sup> September 2022

We hope you all had a restful summer and are ready for another busy school year! The children have settled in well to their new classes and they have shown great curiosity in their learning this week. We are excited to see more of what they have to offer.

If you wish for your child to meet you elsewhere in school or offsite at the end of the school day, you are required to complete a permission form that has been sent out via ParentMail. These need to be completed every year so you will still need to complete one, even if you did one last year.

Just a reminder, in year 4 the PE days are **Wednesdays** and **Thursdays** meaning that the children should come in in PE kit on these days. Any earrings should be removed before the children come into school, or the children should be able to remove their earrings themselves.

As it is unfortunately no longer summer weather, we would like to ask if children can remember to bring their coats into school as they will need these everyday for play times and lunchtimes. With this in mind, we would really appreciate any wet play donations that you have. These could be anything from board games to extra books that you no longer need – the children would greatly benefit from some extra activities during these times.

Now the children are in Year 4, they are all expected to have a pencil case with the required stationery, a water bottle and a school bag for all of their belongings.

We would like to suggest that you check the safeguarding newsletter that comes via ParentMail, especially the first one this year as it includes some important information.

Just a kind reminder that as the PAC is now a classroom, we would like to ask that the toilets are not used by parents/ carers at drop off or pick up. In a toilet emergency, please ensure you go to the office rather than the PAC.

Finally, you have any questions or queries, please do not hesitate to contact your class teacher on the emails below:
