PARKING

As we know the return of the children brings much joy to the Fairlands community. However, it is important for us all to remember that this is still a residential community and we would like to urge all our parents and carers to park respectfully when dropping off and picking up their children. Can we urge to you to consider the following:

- **Please** park within legally approved parking zones around the school
- **Please** do not obstruct residents' driveways
- **Please** ensure that you do not park on or around the roundabout as this is a safety hazard

Our leadership team will be out and about to ensure that the drop off and pick up times run as smoothly as possible so do please come and speak to us if you have any concerns.

Thank you as always for your ongoing support.

EAR-RINGS

We would like to remind you that if your child has had their ears pierced over the Summer break, they will only be allowed to participate in PE if they are able to remove their ear-rings themselves. Ear-rings cannot be covered with tape or plasters. It would be extremely helpful for children NOT to wear their ear-rings on P.E. days. Thank you.

EXTRA-CURRICULAR CLUBS

On Monday we will communicate with you what clubs we will be running this term. Please take a look and discuss with your children what they may like to do, as forms will go live via ParentMail at 5.00pm on Tuesday 13th September. Spaces are allocated on a first come, first served basis, so please make sure you are logged in and ready to avoid disappointment, as spaces go very quickly.

If you are able to submit your form, this means that you have been successful. If you are unable to submit it, unfortunately that club is already full. If you would like your child to be placed on the waiting list, please email the office (on office@worplesdon.surrey.sch.uk). Clubs will start the week commencing Monday 19th September 😊.

YEAR 3 – NEW PICK-UP LOCATION

With effect from Monday 12th September, we have decided to change the **pick-up** location for our Year 3 children. Year 3 children will now be picked up at 3.20pm from outside the Year 2 classrooms next to the trim trail, this is to alleviate congestion on the Junior playground at the end of the school day.

PAC TOILETS

As you are aware we are currently having roofing work carried out around the school. When work is happening above a classroom, that class will be taught in the PAC (for around 2 weeks per class). As the PAC is now being used as a classroom unfortunately parents/carers cannot use that toilet. Please go to the School Office if a toilet is needed, thank you for your co-operation.

HOUSEHOLD SUPPORT FUND

Guildford Borough Council has been given funding to support households most in need of food and energy provisions. This is to help with the rising cost of living.

This support fund is aimed at those who are struggling with their food shopping and energy bills. This funding is for families, people living alone and pensioners.

If you would like to apply for this fund, or know of a household that may benefit from this, please fill in the application form found www.guildford.gov.uk/householdfund and send to the Community Wellbeing Team at: community.wellbeing@guildford.gov.uk

Or call us on: **01483 458055**

Please note that you can apply to receive up to £300. Bank account information and proof of address will need to be provided when applying, if you do not supply this it may result in delays and your application being rejected.

The Household Support Fund has been funded by the Department of Work and Pensions
