

NEWS FLASH

Friday 30th September 2022

CALLING ALL UNPLAYED WIND INSTRUMENTS!

Do you have an unused Clarinet, Flute, Oboe or Trumpet? These are popular instruments for our young musicians and the school's ones are already on loan. If you have one and would be happy to donate it to the school we would be so grateful!

PARKING

It has been brought to my attention (again) that some of our parents/carers are still parking inconsiderately. Please can I ask us all to pull together to do the right thing and show our children how we respect others, by parking respectfully. This includes not parking across residents' driveways or on the grass verges.

Thanking you in anticipation.

WET WEATHER CLOTHES

Please can we ask that with the wet weather coming children come into school on the days they have PE with a spare pair of shoes. They can either come in with their school shoes on and change into their trainers, or bring a spare pair of trainers and an appropriate waterproof coat/jacket. Thank you.

SENSORY CIRCUITS

Sensory Circuits will be starting again on Tuesday 4th October. It will run from 8.40am to 9am Mondays to Fridays and will be in the school hall. Infant children who are invited to come can also attend from

8.40am. All children who have previously attended sensory circuits are invited to attend again this term. Letters will go out inviting new children.

Thanks.
