

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 4th November

Thank you to those who attended parents evening – it was so lovely to see you all in person and celebrate how well all the children have settled in and share their achievements so far. Please continue to email us or catch us at the beginning or end of the day if you would like to let us know anything or have any further questions.

This week we have started a new unit of English based around the text 'The Rainbow Fish' with a focus of expanded noun phrases. We were impressed with all the lovely description the children were demonstrating in their writing. Next week the children will be changing the sea creature.

In maths, the children finished the addition and subtraction unit. We will be moving onto multiplication next week. In addition, we have showed the children how to use Times Table Rock stars,

Golden Leaves

We would like to congratulate those children that have received a golden leaf this week.

Sparrows

Bayley	For working so incredibly hard all the time, you are a superstar!
Jessica	For always listening and being such a kind friend.

Starlings

Kai	For excellent independent writing in English
Layken	For coming into school with a smile on his face and actively participating in classroom discussions

Magpies

Oscar	For being very focussed and doing some brilliant writing this week.
Olivia	For amazing hardwork and dedication to all her school work this week.

Lastly, just a reminder that flu vaccinations will be happening next Thursday.

Thank you for your continued support. We hope you have an enjoyable weekend.
