

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 25th November

We have had a lovely week in Year 3!

In English, we have started our new unit based on a video stimulus called 'Monty the Penguin'. Our skill focus is fronted adverbials which the children have grasped successfully and are using these lots in their writing already.

In Maths, we have been multiplying and dividing by 4. The children have been becoming increasingly confident using the bar model to support them.

As scientists, we investigated which materials are magnetic and non-magnetic. The children loved exploring this with a range of objects.

As you are aware, the Carol Service at St Mary's church will be on Wednesday 14th December. The children will need to be in school uniform for this and as we are walking please can they wear sensible shoes. We will let you know nearer the time whether the children will need to bring in PE kit for the afternoon.

Golden Leaves

We would like to congratulate those children that have received a golden leaf this week.

Sparrows:

Ethan	For being a great team player and a positive role model to others.
Molly	For trying super hard with her writing and working more independently
Jude	For showing such enthusiasm for our topic and sharing his knowledge with the class

Magpies:

Austen M	For having a fantastic week full of positivity, smiles and hard work.
Joseph	For working hard with his phonics and writing this week.

Starlings:

Alice	For always demonstrating excellent learning behaviours and being a great role model
Mannie	For excellent effort in English and producing some brilliant sentences

We hope the children have a wonderful time at the disco this evening.

Thank you for your continued support. We hope you have an enjoyable weekend.
