

# Worplesdon Primary School – Weekly Update

Friday 20th January

Dear Parents/Carers,

What a week it's been with lots to celebrate and on which to reflect. The children have done so well coping with the cold, and making the best of the frosty conditions, especially in our netball PE sessions.

## **Homework**

Engagement continues to impress this week on Atom Prime. If you or your child are still looking for login details, please email us so we can send them over so they don't miss out on earning house points for completing their homework!

## **Hampton Court Palace Trip**

Most of you have already responded and paid - thank you so much! We are just finalising staffing so if you have volunteered to come with us, we hope to confirm all this with you next week if we haven't already.

## **Young Voices - In School Performance**

No doubt you are even more proud of the children than we are! What a breath-taking performance, true goosebumps were felt. This is thanks in part to those of you at home who have been practising. We hope that the children will remember these songs and this experience for the rest of their lives!

## **Young Voices - O2 Performance**

Nearly everything is now in place for the O2 performance, and it promises to be even more spectacular than the WPS performance (if that's possible)! Any last queries, please let us know.

## **Swimming**

Information went out from the office regarding swimming in both Year 3 and Year 5 this week. Please don't hesitate to contact us or the office with any queries regarding this.

Wishing you all a bright, relaxing and warm weekend!

All the best,

The Year 5 Team
