

Worplesdon Primary School – Weekly Update

Friday 27th January

Dear Parents / Carers,

The children have had a brilliant week at school, they continue to impress us with their enthusiasm, resilience and determination to succeed.

Mock SATs

Just a reminder that the children will be sitting their second round of Mock SATs next week. As stated in last week's update, these are nothing for the children to worry about, so please do remind them of this. You will receive information about their scores in the following weeks, once we've analysed the data.

World War Two Workshop

This week, information was sent out regarding our World War Two Workshop on Monday 6th March. Just a reminder that we'd love it if the children could dress up in WW2 inspired outfits that day, to really immerse themselves in the learning. More information on outfit ideas can be found on the ParentMail.

Revision Guides

Most families who ordered revision guides have now paid and collected them from the office. However, there are a few remaining. If you ordered these and haven't yet collected them, please pop to the office with your payment and they will give them to you in return.

DT-Anderson Shelters

During the last week of term (week beginning 6th Feb), the children will begin to create their model Anderson shelters. Whilst we have plenty of resources for the children, if they'd like to bring in anything to add to their model that isn't available at school, that is absolutely fine. We look forward to seeing them bring their designs to life!

This week, we'd like to congratulate the following children who received Golden Leaves:

Wrens

Ruby-For pushing herself in Writing and using constructive feedback to make her work the best it can be.

Stuart-For settling into Worplesdon brilliantly-Wrens love having you!

Kestrels

Emmeline-For challenging yourself in your writing this week when using direct speech.

Dylan-For great perseverance this week in maths when tackling algebra.

Jays

Lilly-For being an enthusiastic historian, sharing and presenting artefacts collected from her uncle who was in WW2.

Neve-For writing in first person, from two different people's perspective using direct speech to enhance her story.

We're so proud of your continued hard work!
