

# Worplesdon Primary School – Weekly Update

Friday 3rd February

Dear Parents/Carers,

What a fun week - the weather held off and the children had a wonderful experience at Hampton Court. We can now take a breather and enjoy a more relaxed final week before half term!

## **Hampton Court Palace Visit**

What an amazing time the children had, seeing all the sights and artefacts of Tudor times. Special thanks to the parent helpers who supported in making this trip possible.

## **Swimming**

We are still looking for a parent helper to go swimming with Jackdaws after half term. Even if you can't commit to every week, we'd really appreciate the help if you can!

## **Homework**

Thank you for the continued feedback regarding Atom Prime. We've decided to slightly reduce the number of questions we give the children each week and we continue to tweak the difficulty behind the scenes. The nature of the program is that it adapts to the child's ability based on how they are doing in this homework and in previous ones. Although this is not always perfect, as long as children do their best and attempt to apply their knowledge, that is all that matters! As a reminder, there are helpsheets, videos and written explanations for each question which most children should be able to access independently.

Wishing you a wonderful weekend,

The Year 5 Team
