

Worplesdon Primary School – Weekly Update

Friday 24th March 2023

Dear Parents / Carers,

What an amazing week it's been in Year 2! The children have had fun completing their bug hotels, and we have been so impressed with their independent sawing, glueing and hammering skills.

This week in English, the children have had a go at writing a non-chronological report about a rainforest animal of their choice, using a variety of conjunctions. We have been very impressed with their work and neat handwriting! Next week, the children will be writing a non-chronological report about a made up rainforest animal that they will create.

In Maths this week, the children have been revisiting their learning about multiplication and division. We have been so impressed with how much they have remembered! Next week, we will be moving on to look at statistics.

Easter Gardens

Next week, the children will be exploring Easter in RE. We will be reading the Easter story and creating Easter gardens. In order to do this, we need the children to bring in a cardboard box/paper plate for the base of their garden. We would also appreciate any donations of soil, twigs, string, stones, lollipop sticks, dried flowers etc.

Resources

We are running very low on glue sticks and whiteboard pens in Year 2. We would really appreciate any donations of these, as we use them every day for our learning.

Golden Leaves

Congratulations to all of our golden leaf recipients this week! Well done for all of your hard work - we are so proud of you!
