

Worplesdon Primary School – Weekly Update

Friday 31st March 2023

Dear Parents / Carers,

What another amazing term it's been in Year 2 - we cannot believe we have reached the Easter holidays already! This week, the children have had fun learning about the Easter Story, creating Easter gardens, and painting an Easter picture of a chick. After Easter, we will be moving on to our topic 'Amazing People'. We will spend time exploring some inspirational people in history and English.

This week in English, the children have had a go at writing a non-chronological report about a made up animal that they have created. We have continued to focus on conjunctions. We have been so impressed with the children's writing and their imaginations!

In Maths this week, the children have been learning about statistics. We have explored tally charts, pictograms and block graphs. The children have done so well with this!

Resources

We are running very low on glue sticks and whiteboard pens in Year 2. We would really appreciate any donations of these, as we use them every day for our learning.

Parent helpers - Wisley Gardens Trip

On Friday 5th May 2023, we will be taking the children to Wisley Gardens as part of our Science topic (plants). If you would like to volunteer to come along as a parent helper, please contact your child's class teacher. You will need to have a valid DBS through the school in order to help out. If you are unsure whether your DBS is valid, or would like to apply for one, please contact the school office.

Wedding

Some of you might already be aware that Miss Nutbeen is getting married during the Easter holidays! She will be returning to school after Easter as Mrs Welland. This is going to take the children (and Miss Nutbeen/staff/parents) some time to get used to 😊
