

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 5th May

We hope you all enjoyed the long weekend.

In maths this week, we finished our fraction unit and will be moving onto learning about money next week. If you happen to pop to the shops this weekend – please do talk about the coins you are using to buy the items with your children.

It was lovely to see the children all dressed up in red, white and blue on Thursday to celebrate the King's Coronation. The children enjoyed their coronation lunch in the school hall. To celebrate the occasion, we created clay tiles with a coronation theme and we will be painting these next week.

As historians, we continued our work on the Vikings by using atlases to locate countries where the Vikings settled. In addition, in art we have sketched Viking long boats and will be creating a watercolour background of the sea next week.

As a reminder, please can children continue to bring in their recorders on Wednesdays for their music lessons. Ms Baynes would like to organise a recorder assembly whereby children can show their progress over the course of the year. More details on this will follow soon.

We would like to congratulate these children on receiving a golden leaf this week:

Isla P – For being a great role model and showing care and compassion to others.

Freddy S – For brilliant work in maths involving fractions and demonstrating great independence.

Isabella - For being an excellent role model to the class and living by our school values every day.

Macie - For working extremely hard this week, especially in maths, and for being a loyal friend.

Eesa - For always being such a thoughtful, considerate and polite member of Sparrows class.

Ewan - For taking great care over his writing and thoughtfully adding in descriptive skills such as similes and alliteration

Wishing you all another wonderful bank holiday weekend.

Best wishes,

The Year 3 Team
