

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 12<sup>th</sup> May

We hope you enjoyed your long bank holiday weekend. We have had a fantastic four days!

As scientists, we have been looking at parts of a flower and dissected one. The children worked well in small groups to carefully pull apart and identify all the parts using scientific language.

As artists, we have painted our coronation clay tiles which we will varnish ready to be displayed.

In addition, in English our unit for the next two weeks is biographies. This week the children have explored a biography all about King Charles with focus on present perfect tense. Next week, they will be creating our own character and writing a biography about them.

In maths, we started our unit on money. The children learnt how to convert between pounds and pence and added different amounts of money together. We will be continuing with this next week with a specific focus on finding change.

Just a reminder that swimming will start back on Monday. As always, the children need to come into school with their swimming kit on underneath their PE kit. All children in Year 3 are a packed lunch on this day due to timings.

We would like to congratulate these children on receiving a golden leaf this week:

Jessica – For her amazing hard work and focus in maths this week.

Lilian – For showing super leadership in science by being a supportive and encouraging friend.

Annalise – For having a brilliant first week at Worplesdon and having a smile on her face each and every day.

Stuart – For excellent independent writing in English and demonstrating beautiful presentation.

Chloe C – For working super hard with her phonics and sentence writing this week.

Nyah – For always challenging herself in every subject to be the best she can be.

We hope you have a wonderful weekend.

Best wishes,

The Year 3 Team
