

Worplesdon Primary School – Weekly Update

Friday 19th May

Dear Parents / Carers,

What a fun week it has been in school! We've had a visits from Secondary Schools and Peter Pan auditions to name a few things. In between all of this, the children have remained eager and focused on their learning, we must particularly commend them on their continued brilliant writing.

LFL: Love and Loss

Unfortunately, we had to reschedule our learning for life lesson on Love and Loss that was mentioned last week due to secondary school visits this week. We will complete this lesson next Monday.

Homework

Just a reminder, starting again from next Monday, Atom homework will be released weekly. Please can we ask that this is still completed until the end of the summer term as this is such an important routine to get into before heading off to secondary school. If you have any questions about it, please do not hesitate to contact your class teacher.

This week, we'd like to congratulate the following children who received Golden Leaves:

Wrens

Caitlin-For being a fantastic support to Mrs Fyfe in your role as After School Club assistant.

Oliver-For brilliant work in Geography when learning about the Maasai Mara from Africa.

Kestrels

Nate-For being a brilliant role model to the infant children when doing your playground leader duty.

Eliana-For simply being a wonderful polite member of kestrels classroom and always trying her hardest at everything she does!

Jays

Jakub-For using speech to advance the action in his retelling of war horse.

Neve-For demonstrating great understanding of the similarities and differences between the Maasai culture and ours.

As always, if you have any questions or queries, please do not hesitate to contact your class teacher on the emails below:
