

Worplesdon Primary School – Weekly Update

Friday 26th May 2023

Dear Parents / Carers,

What a great half term we've had in Year 2! We cannot believe we only have one half term left!

In English this week, we have chosen to write a non-chronological report about Nelson Mandela or Grace Darling, using contractions. We have been so impressed with their writing, with so many children now able to independently spell Year 2 common exception words, group information into paragraphs and edit/improve their work with a green editing pen. After half term, the children will be exploring the story 'The Koala Who Could', with a focus on adding imaginative description.

In Maths this week, we have been learning about measuring height and length in centimetres and metres, and capacity in millilitres and litres. The children really enjoyed their introduction to capacity using water outside in the sun! After half term, we will continue our learning on capacity.

Larks Class Assembly

Larks class assembly is coming up on Friday 16th June. Gates will open for parents at 2.30pm, for a 2.40pm start. Larks children will have had a letter and a script home today about this. We would really appreciate support in helping your child to learn their lines so they feel confident when performing.
