Callum Deboys
Nordic Sit-Skiing

Year of Birth: 1996
Coach: Scott Meenagh
Representing: Great Britain & Scotland

SPORTS FOR CHAMPIONS CROWDFUNDER

At Worpleston everyone believes that children get just one childhood: it should be a magical and happy time where education should leave a host of positive and deep meaningful memories that last for the rest of their lives. With this in mind, we are delighted to inform you that we are hosting an inspirational workshop with Beijing 2021 Winter Olympian Callum Deboys which will involve an inspirational speech from Callum about the challenges he has overcome to achieve his

dream, as well as a sports circuit for the children which they can be sponsored for. The money raised will be split between school (60%) and Sports for Champions (40%), supporting athletes across the country. Your child will bring home further details today, along with a sponsor form however, you may prefer to donate directly via our crowdfunding page: <https://www.crowdfunder.co.uk/p/worpleston>.

CONGRATULATIONS

Congratulation to Oliver and Ellie-May on their massive achievement last weekend. They both play football for the district and Saturday was the Southern Counties Cup final at Oxford City football stadium. Both the boys' and girls' teams had made it through to the final and amazingly after a semi-final and a final, both teams went on to win! This was also the first time that any district had won both the boys' and girls' competition in the history of the cup 😊. We are very proud of Oliver and Ellie-May.

BERTIE BOOS' NEWSFLASH

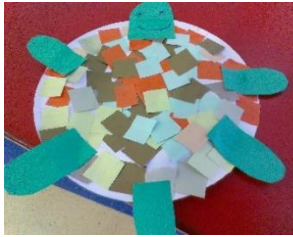

Bertie O'B & E-S would like to wish you gorgeous human beings big and small a happy May half term.

Take time out to relax, enjoy the outdoors and spend some time with family and friends. Bertie and I will be spending time going for long walks with a few afternoon naps along the way.

Seeing the sun shine again has been a total joy, remember to stay safe, wear a hat, apply some sun cream and drink lots of water to stay hydrated.

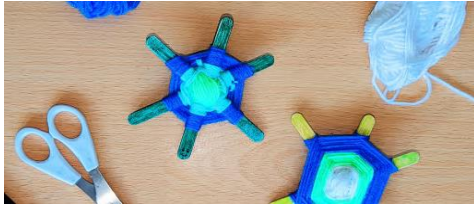

See you all in a week's time.

Bertie and Bertie

EARLY BIRDS & NIGHT OWLS

This week at Night Owls we have celebrated World Turtle Day. The children have been making some turtles out of clay which have turned out really well. They used different tools to help design the patterns on the shells and added layers as well to create a 3d effect. We will leave them to dry out over half-term and then paint them the first week back and send them home for you to admire. The children also made turtles out of paper plates and cut up coloured paper squares. This was an independent activity for them, on our tuff tray, to use their imagination. The

final craft activity this week was to create a turtle out of wool and lollipop sticks, this proved quite tricky with the weaving in and out but the children showed real perseverance and stuck at it!

As the weather was so nice this week, we also took the children on scavenger hunts around the school. The children all had a worksheet with a list of items to search for such as something beginning with the letter p, something smooth, something that makes a noise, something you can smell etc. They loved walking around the school playgrounds and field trying to be the first to complete their list. All children were given house points upon completion.

Just a reminder that after half term the children will be making bug hotels for British Wildlife week. If your child would like to bring in items such as a box, grass, straw, hay, twigs, plastic flowerpots or anything else they could add to

their hotel in a named bag that would be great. We will supply some items as well but any extras would be greatly appreciated.

We hope you all have a great half term holiday and may the sunshine.

1st Friday of the month
STARTING
5th
MAY
7-9PM

WOOD STREET YOUTH CLUB

Games, Wii
Tuck shop
Table Tennis
Crafts & more

£1
PER PERSON

FOR SCHOOL YEARS 6-11
