

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 16<sup>th</sup> June

We have had an excellent week of learning and have enjoyed the sunshine.

In maths, we finished our unit on time and will be moving onto learning about shape next week.

In English, the children were creative and tweaked the text 'Playing With Light'. They decided what happened to the robot and therefore what the robot needed to search for in the submarine with his friend. We were impressed with the children's imagination.

A reminder on a few dates coming up:

|                                 |                |
|---------------------------------|----------------|
| Wednesday 28 <sup>th</sup> June | Transition Day |
| Thursday 29 <sup>th</sup> June  | Sports Day     |

Next week, PE days will continue to be on Tuesday and Wednesday for Year 3.

However, the following week, due to transition day and sports day the children's PE days will be **Tuesday 27<sup>th</sup> June and Thursday 29<sup>th</sup> June.**

As a reminder, next week we will be learning about outside body changes and introducing the term puberty. We will explain that puberty refers to a collection of changes that we cannot control that turn a child's body into an adult's body ready so it can have a baby. We will link the lesson to other changes that might have happened in their life such as moving school, moving house or getting a new pet.

**Key words: changes, puberty, control, breasts**

As always, if you have any questions or concerns about these lessons; please speak to your child's class teacher. We are more than happy to discuss with you in more detail the content of the lessons.

We would like to congratulate these children on receiving a golden leaf this week:

Annalise – For being a polite and hardworking member of Starlings class.

Millie – For speaking so confidently and clearly in front of the class with a smile on her face.

Rosie – For always being so kind and taking responsibility

Theo – For amazing writing this week including direct speech and some lovely adverbs.

Ethan S – For working hard to edit and up level his writing this week and using his best handwriting.

Kathleen – For always showing positivity during every lesson and sharing her wise and creative ideas during class discussions.

Best wishes,

Year 3 Team
