

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 7th July

Wow, we cannot believe we only have two weeks left until the end of term!

In maths this week, the children learnt about statistics. They interpreted and drew their own pictograms and bar charts. We were very impressed with their learning. Next week in maths we will be consolidating all of the maths learning we have learnt over the course of the year.

In English this week, the children changed the main character to a thief of their choice. Some examples included emotion thief, dream thief and boredom thief. We were impressed with the children's creativity. Next week, the children will be writing letters to their new Year 4 teacher.

Just a reminder that sports day has been moved to **Tuesday 18th July**.

Next week, there is a recorder assembly to the Year 3 parents on Wednesday 12th July at 2:30pm. Please can children bring in their recorders on Monday to enable them to rehearse and we will keep them at school for the rest of the term.

We would like to congratulate these children on receiving a golden leaf this week:

Dexter S – For showing great enthusiasm in science and being a helpful friend to his classmates.

Charlie – For working really hard in science learning all about shadows and demonstrating excellent writing.

Ralph – For being an outstanding member of Magpies by always working hard and following the school values every day.

Finley W - For making amazing progress with his reading due to his dedication and enthusiasm. Well done, Finley.

Fred P - For writing an excellent story about the Boredom Thief which included a variety of conjunctions and key skills.

Luke - For his excellent maths skills, showing resilience when completing a challenge and working well with others to solve problems.

Jude – For super science work, sharing his knowledge and being really excited about learning.

Best wishes,

Year 3 Team
