

# Worplesdon Primary School – Weekly Update

Dear Parents/Carers,

What a sunny end to another busy week! We had a great trip to Christ's College this week and we hope the children came home excited about secondary school and learning more about science and technology.

## **Reports**

Your children will have come home with their school reports today. If you have any questions, please don't hesitate to contact your child's class teacher.

## **PPA Swap and PE Kits**

As a reminder, children will need to be in PE kit on **Mondays** and **Wednesdays** until the end of term (as well as on **Tuesday 18th July** for Sports Day).

## **Hot Weather**

Lots of children didn't have a water bottle or hat today - please could we have these in school every day just in case we are lucky enough to have any more lovely weather over the next 2 weeks.

All the best,

Mr Clifton, Mr Djadali, Mr Kennedy and Mrs Nightingale
