

Worplesdon Primary School – Weekly Update

Dear Parents/Carers,

Summer is officially over it seems with the very changeable weather this week! One more week to go before the children are at the top of the school!

PE Kit

As a reminder, children need to be in PE kit next Monday, Tuesday **and** Wednesday.

Sports Day

Year 5 and 6 Sports Day is next Tuesday morning starting at 9:15 - we hope to see as many of you as possible at the side to cheer them on!

Evacuation Drill

A reminder of Mrs O'Brien in case you miss it in the Newsflash:

As you know, every child's safety is our priority every day. Whilst there are many systems and processes involved in our Safeguarding, one aspect is our fire drill, lockdown drill and whole school evacuation. Throughout the year, we have led successful termly drills for our fire procedure and lockdown procedure. We now need to practise our full evacuation procedure. We hope we would never need to use this however an example would be if there was a gas leak and we needed to evacuate the site, all staff would walk the children down to the FLGCA Community Centre on Fairlands. Once there, we would work with services to evaluate the situation and decide on next steps (e.g. whether safe to return after some time or whether we would need to call parents to collect). On Monday 17th July, we will be practising this evacuation which will involve all children walking down to the FLGCA Community Centre then back again.

Thank you

As this will be our last weekly email, we just wanted to say thank you so much for all your support over the course of the year. Your children are a credit to you and we will be very proud to see them in Year 6 as role models for the school.

Wishing you a great weekend and a lovely summer break,

Mr Clifton, Mr Djadali, Mr Kennedy and Mrs Nightingale
